#### **LISTING RULES IMPLICATIONS**

As one or more of the applicable percentage ratios (as defined in Rule 14.07 of the Listing Rules) in relation to the Financial Assistance exceed 5% but all are less than 25%, the entry of the Financial Assistance Agreement constitutes a discloseable transaction for the Company and is subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

In addition, pursuant to Rules 13.13 and 13.16 of the Listing Rules, a general disclosure obligation arises where the relevant advances to an entity by the Group or the financial assistance to affiliated companies of the Group exceeds 8% under the assets ratio as defined under Rule 14.07(1) of the Listing Rules. As the Financial Assistance constitutes advances to an entity and/or financial assistances to affiliated company of the Group and the asset ratio (as defined in the Listing Rules) for the Financial Assistance Agreement exceeds 8%, the Supplemental Financial Assistance Agreement is subject to the general disclosure obligation pursuant to Rules 13.13, 13.15 and 13.16 of the Listing Rules.

## **BACKGROUND**

Reference is made to the announcements of the Company dated 23 September 2022 and 28 September 2023.

On 29 July 2022, Sheng Long and NDIG established a joint venture NBGF in the PRC to provide differentiated digital financial solutions for the industrial ecosystem participants including NDIG, to assist in addressing supply chain challenges faced by SMEs and vigorously promote supply chain digital technology services. The registered capital of NBGF is currently RMB500 million, of which NDIG and Sheng Long contributed 65% and 35% in cash, respectively. Pursuant to the joint venture agreement entered into by both parties in June 2022, Sheng Long and NDIG agreed to jointly provide financing support to NBGF in proportion to their respective shareholding interest in NBGF.

On 28 September 2023, Sheng Long and NDIG entered into a share subscription agreement (the “**Share Subscription Agreement**”) pursuant to which both parties agreed to subscribe the newly issued shares of NBGF in proportion of their initial shareholding interest in NBGF. After the completion of the Share Subscription Agreement, NBGF has a registered capital of RMB500 million, with NDIG and Sheng Long’s shareholding interest in NBGF remaining unchanged at 65% and 35%, respectively.

## **SUPPLEMENTAL FINANCIAL ASSISTANCE AGREEMENT**

To align with the robust business growth and funding needs of NBGF, Sheng Long and NDIG also agreed to increase the size and to extend the term of their financing support to NBGF. The Board is pleased to announce that on 19 December 2025 (after trading hours of the Stock Exchange), Sheng Long, SY Factoring and NBGF entered into the Supplemental Financial Assistance Agreement to revise certain provisions of the Previous Financial Assistance Agreement in order to support the business development of NBGF and to finance the operation of supply chain finance business engaged by NBGF.

The principal terms of the Supplemental Financial Assistance Agreement are set out as follows:

Date: 19 December 2025 (after trading hours of the Stock Exchange)

Parties: (i) Sheng Long;  
(ii) SY Factoring; and  
(iii) NBGF

Term of the Financial Assistance:	From the date of the Supplemental Financial Assistance Agreement to 31 December 2027.
Financial Assistance A:	Sheng Long shall provide unsecured guarantees as security for the debt financing of NBGF in proportion to its shareholding interest in NBGF, in which SY Factoring shall provide joint and several guarantees.  The SY Group will not charge any fee on NBGF in relation to the Financial Assistance A.
Financial Assistance B:	Sheng Long shall provide unsecured shareholder loans jointly with NDIG to NBGF in proportion to their respective shareholding interest in NBGF, the interest rate of which shall not exceed the LPR of the corresponding maturity term.
Size limit:	The aggregated maximum amount of the Financial Assistance shall not exceed RMB2.1 billion subject to compliance with the relevant regulatory requirement.
Utilisation:	The amount of Financial Assistance A corresponding to the principal balance of debt financing actually used shall not exceed RMB1,575 million per month during the relevant term.

The size limit and interest rate of the Financial Assistance was determined by the parties based on arm's length negotiation by considering, among other things, (i) the growing funding needs of NBGF; (ii) the original terms of the Previous Financial Assistance Agreement; (iii) the credit rating and repayment track record of NBGF; and (iv) the fact that the Group will benefit as a shareholder from NBGF's growing business scale and business income.

As at the Latest Practicable Date, approximately RMB868.8 million of the Financial Assistance has been utilised by NBGF, RMB816.3 million of which constitutes guarantees as security for banking facilities utilised by NBGF, and an interest income of approximately RMB5.0 million has been derived from the Financial Assistance in the past 12 months. The Financial Assistance by the Group is financed by its internal resources and/or external borrowings. The principal amount and interest income derived from the Financial Assistance B provided by the Group would be repaid to the designated bank account of the Group via bank remittance.

Save as disclosed in this announcement, all the terms of the Previous Financial Assistance Agreement shall remain unchanged in all material respects and are in full force and effect.

## **REASONS FOR THE ENTRY OF THE SUPPLEMENTAL FINANCIAL ASSISTANCE AGREEMENT**

The Group is a data-intelligent technology company specializing in “AI + Industrial Supply Chain”. While deeply rooted in national pillar industries such as infrastructure, pharmaceuticals, and commodities, the Group is also actively expanding into strategic emerging sectors such as e-commerce, robotics, and artificial intelligence (“AI”) applications. Through its self-developed, AI-driven industrial intelligence platform “SY Cloud Platform”, the Group empowers SMEs by addressing their order fulfillment and working capital needs for supply chain operations, facilitating their growth and operational efficiency.

The development of the associate companies is a crucial part of the Group’s platform-based strategy, facilitating business expansion and revenue growth through resource integration. Backed by NDIG’s strong industrial background and the Group’s supply chain technology platform service capabilities, NBGF achieved robust growth and encouraging results by adopting advanced AI-driven digital technology and a smart risk management system to provide differentiated digital financial solutions for NDIG’s ecosystem, to help solve the supply chain difficulties faced by SMEs and vigorously promote supply chain digital technology services.

The Directors believe that the increment of financial assistance to be provided together with the state-owned shareholder will support NBGF to obtain debt financing more efficiently and economically for its business expansion. The endorsement of the state-owned shareholder also enables the Group to receive more support from the funding partners in the joint venture, thereby reducing funding costs and enhancing the return on assets.

Given that the Supplemental Financial Assistance Agreement is under normal commercial terms, and is beneficial to the Group in its business expansion and establishment of long term business relationship with NBGF and NDIG, the Directors are of the view that the terms of the Supplemental Financial Assistance Agreement are fair and reasonable and are in the interests of the Company and Shareholders as a whole.

## **LISTING RULES IMPLICATIONS**

As one or more of the applicable percentage ratios (as defined in Rule 14.07 of the Listing Rules) in relation to the Financial Assistance exceed 5% but all are less than 25%, the entry of the Financial Assistance Agreement constitutes a discloseable transaction for the Company and is subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

In addition, pursuant to Rules 13.13 and 13.16 of the Listing Rules, a general disclosure obligation arises where the relevant advances to an entity by the Group or the financial assistance to affiliated companies of the Group exceeds 8% under the assets ratio as defined under Rule 14.07(1) of the Listing Rules. As the Financial Assistance constitutes advances to an entity and/or financial assistances to affiliated company of the Group and the asset ratio (as defined in the Listing Rules) for the Supplemental Financial Assistance Agreement exceeds 8%, the Supplemental Financial Assistance Agreement is subject to the general disclosure obligation pursuant to Rules 13.13, 13.15 and 13.16 of the Listing Rules.

The Company will comply with the relevant disclosure requirements under Rules 13.20 and 13.22 of the Listing Rules for so long as circumstances giving rise to such disclosure obligation continue to exist.
