LETTER FROM THE BOARD

III. REASONS FOR AND BENEFITS OF THE TRANSACTIONS

The Group is a leading supply chain technology platform. The Group leverages its dual engine of industrial IoT (“**IIoT**”) and digital finance to create a supply chain technology platform, demonstrating its significant advantages in technological innovation. The Group leverages big data analytics to provide intelligent matching of assets to capital, offering a one-stop SaaS and fintech solution for enterprises and financial institutions, while effectively addressing the financing needs and pain points of SMEs within the supply chain ecosystem.

Backed by NDIG’s strong industrial background and the Group’s supply chain technology platform service capabilities, NBGF achieved robust growth and delightful results by adopting advanced digital technology and a smart risk management system to provide differentiated digital financial solutions for NDIG’s ecosystem, to help solve the supply chain difficulties faced by SMEs and vigorously promote supply chain digital technology services.

Additionally, backed by Ocean Holdings’ strong industrial background and financial support, as well as the Group’s mature platform services and technology capabilities, Ocean Holdings Factoring could combine the technology edge and funding advantages to build a smart platform to match supply chain assets with funding, thereby improving the efficiency of the Ocean Holdings’ supply chain.

As such, in respect of the Supplemental Financial Assistance Agreement and the Amended Financial Assistance Agreement, the Directors believe that the increment of financial assistance to be provided together with the state-owned shareholder will support both NBGF and Ocean Holdings Factoring to obtain debt financing more efficiently and economically for its business expansion. The endorsement of the state-owned shareholder also enables the Group to receive more support from the funding partners in the joint venture, thereby reducing capital costs and increasing leverage.

On the other hand, owing to its business need, Customer HJ negotiated with the Group for the provision of the Digital Financing Solutions. Since Customer HJ is able to provide the accounts receivables as securities for the Digital Financing Solutions to the Group, upon the request of Customer HJ and upon the approval of such request by the Group after assessment on the quality of their accounts receivables owned by Customer HJ, SY Factoring entered into the Facility Agreement with Customer HJ. The entry of the Facility Agreement is in the ordinary course of business of the Group, which will contribute profit to the Company over the financing term and are beneficial to the Group in its business expansion and establishment of long-term business relationship with Customer HJ.

Further, the Directors noted that (i) in view of the good credit rating of Customer HJ and taking into account the risk assessment being carried out by the Group, granting of the credit limits would not pose significant risk to the operation and the financial position of the Group; (ii) the annual interest rate and service fee (if any) are in line with the market practice; (iii) the credit rating of the debtors of the accounts receivables being the securities of the Digital Financing Solutions were good without any default; and (iv) the Group has comprehensive approval and risk assessment procedures, sound internal control system and established credit risk control policies in place which take into account internal and external factors to determine the approval of Digital Financing Solutions.

LETTER FROM THE BOARD

Given that each of the Agreements is under normal commercial terms, and is beneficial to the Group in its business expansion and establishment of long-term business relationship with the counterparties of the Agreements, the Directors are of the view that the terms of each of the Agreements are fair and reasonable and are in the interests of the Company and Shareholders as a whole.

IV. IMPLICATIONS UNDER THE LISTING RULES

As one or more of the relevant percentage ratios (as defined under the Listing Rules) in respect of each of the Transactions exceeds 25% but is less than 100%, respectively, each of the Transactions constitutes a major transaction of the Company under Chapter 14 of the Listing Rules and is therefore subject to the reporting, announcement and Shareholders' approval requirements under Chapter 14 of the Listing Rules.

In addition, pursuant to Rules 13.13 and 13.16 of the Listing Rules, a general disclosure obligation arises where the relevant advances to an entity by the Group or the financial assistance to affiliated companies of the Group exceeds 8% under the assets ratio as defined under Rule 14.07(1) of the Listing Rules. As the Financial Assistance constitutes advances to an entity and/or financial assistances to affiliated company of the Group and the asset ratio (as defined in the Listing Rules) for the Amended Financial Assistance Agreement exceeds 8%, the Amended Financial Assistance Agreement is subject to the general disclosure obligation pursuant to Rules 13.13, 13.15 and 13.16 of the Listing Rules.

The Company will comply with the relevant disclosure requirements under Rules 13.20 and 13.22 of the Listing Rules for so long as circumstances giving rise to such disclosure obligation continue to exist.

Pursuant to Rule 14.44 of the Listing Rules, Shareholders' approval may be obtained by written Shareholders' approval without the need of convening a general meeting if (i) no Shareholder is required to abstain from voting if the Company were to convene a general meeting for the approval of the Transactions; and (ii) written approval has been obtained from a Shareholder who holds more than 50% of the voting rights at that general meeting of the Company to approve the Transactions.

To the best of the knowledge, information and belief of the Directors having made all reasonable enquiries, no Shareholder is materially interested in the Transactions. As such, no Shareholder is required to abstain from voting if the Company were to convene a general meeting for the approval of the Transactions.

The Company has received a written approval of the Transactions from Wisdom Cosmos, which is beneficially interested in approximately 56.64% of the Shares as at the date of this circular, and therefore holds more than 50% of the voting rights at that general meeting of the Company. Accordingly, pursuant to Rule 14.44 of the Listing Rules, no general meeting of the Company will be convened for the purpose of approving the Transactions.
